

Boston Virtuosi Chamber Orchestra

A taste of the Arts- June 14th 2:30

As the perception of Fort Point as a rich landscape for the arts and dining deepens, many tourists and local professionals are curious to learn more. Please join Boston Virtuosi Chamber Orchestra for a unique multimedia concert on Atlantic Wharf, Waterfront Plaza, directly across the channel from the Children's Museum, to be coordinated with a custom-designed tour of Fort Point restaurants and sites. In partnership with well-known "HipHost" tour guide Bill Hall, Boston Virtuosi is designing a **cutting edge "restaurant crawl" of Fort Point**, which will culminate in the concert on Atlantic Wharf. We are reaching out to select restaurants that represent the best of Fort Point Channel. Bill's "HipHost" tours have ranged from Beer and Chocolate tours of Boston, to Paul Revere tours; quirky historical walks through the North End incorporating iconic bars and bistros. The Southie Shuttle will be our chauffeur for the day. **Visit bostonvirtuosi.org to reserve your tickets! Only 70 lucky foodies will be able to enjoy this tour and it will sell out fast! Southie Shuttle has kindly donated their services and will be our chauffeur for the afternoon.**

Boston Virtuosi, an ensemble comprised of busy Boston free-lance musicians who are colleagues and friends, is based in Boston's creative Fort Point Channel. B.V. members perform with the Boston Pops, Ballet and other well-known performing arts organizations throughout New England. The performance will feature string quartet, guitar, piano and five professional dancers. The Ragazzi-Michelin duo will join us again, playing an exiting blend of contemporary jazz and South American music. *"These two outstanding musicians take the guitar piano duet to the highest level, playing with power, passion and virtuosic wit. They don't accompany each other in the traditional sense, so much as they melt together into one inspired voice."* -WICN.ORG Radio.

There is an interesting twist to this performance-it will include choreographed dancers, directed by Fort Point Choreographer Kristen Fumarola. Each dancer will be dressed in the same color as their corresponding musician. This creates a blending of artistic mediums, where each instrument is individually interpreted in a dance, which is also part of a larger, cohesive performance piece. Don't miss this amazing and entertaining event! Contact executive director Cameron Sawzin: cam.zin@verizon.net for more information.
